## Home of First In Quality Laced and Ruffled Iris

Ruffled Apache (Wallace '54) H.M. '54

**BIG UTE—1954—**(Grand Canyon x (Lancaster x Three Oaks)

A huge rich blending of mahogany and burgandy red with a light suggestion of blue sheen below the beard. Falls are wide and flaring with excellent heavy substance. Standards are lightly domed. One of the finest deep reds to date. 36-inch stalks. H. M. '55 ..... \$15.00

**BLUE DEBUT—1955—**(Midwest Gem x Hall's 42-10) x  
Snowqualmie x Gold Ruffles).

A large well formed pale blue self 6 to 6½ inches across. The parts are beautifully laced and lightly ruffled. Here we have that blue lacing factor many have been waiting for. A must! 36-inch stalks.

..... \$10.00—3 for \$20.00

**BLUE DOLPHIN** (Seedling No. 5506) Wallace

Huge sparkling powder blue oncobred, clear with no veining. Very heavy substance. This is one of the finest flowers resulting from the Snow Flurry-Capitol a cross. Has two-way branching and opens 4 to 6 flowers. T. B. 28" Early .....NET \$12.50

**BLUE ENCHANTMENT (Seedling 55-1) E. Madsen**

Mrs. Madsen has captured in this lovely introduction the beautiful blue hues of two truly great parents. The tall stately large proportioned flowers are ruffled and well formed with flaring parts. Truly one of the finest commanding medium blues we have seen in clumps.

T. B. 38" Midseason (Snow Flurry x Great Lakes) ..... NET \$12.50

**BLUE TOWER (Seedling No. 54-2) Wallace**

A bewitching smooth pale blue-white self. Beards are almost blue-black, which stand out like challenging sentinels; hence, the name. The large full flaring blooms are borne on heavy 32" stalks. One of the first to start the tall bearded season.

(From two seedlings) ..... NET \$15.00

**BORDER PATROL—1955—(Line Breeding from Mdme Louis Aureau)**

Popular choice of plicata lovers at the 1954 Convention. A large flower with heavy substance. Falls have a white ground with an overlay of black edging. Standards are a dark purple self. Very appealing. 38-inch stalks ..... \$10.00—3 for \$20.00

**CATHEDRAL BELLS—1953—(Seedling 48-9 x 48-35)**

SPIC AND SPAN—1953—(Kalinga x Golden Madonna) x  
(Fort Knox x Golden Majesty)

A well branched light cream iris. A complete self with exceptionally large blooms with plenty of substance and light ruffling. A rapid increaser. C.C. '52 ..... \$2.00—3 for \$4.00

YELLOW LACE—(Seedling No. 55-372-2) Wallace

A brilliant golden yellow. The entire flower is ruffled and intensely laced as no other iris. The buds are terminated with beautiful whirls of lace as they start to open. The terrific laced blooms are as the fairy tale "Goldilocks" herself. This one will be a great novelty.

T. B. 36" Midseason. (Chantilly x Midwest

Gem x Hall's 42-10) ..... NET \$15.00

WHITE CINDERELLA—1954—(Snow Flurry x Cloud Castle)

Tall, large light blue-white with wide heavily ruffled falls. One of the first whites to start the season. Three buds to each socket. Has a tendency to have a succession of blooms through the season. 42 inch stalks ..... \$7.50—3 for \$15.00

WHITE DIAMOND—1955—(Snow Flurry x Tall White Seedling,  
H. Thorpe)

Truly a pure white self of quality. Al Lauck says that this is one of the few real white. No yellow pigment. Early, long blooming season. 32 inch stalks ..... \$7.50—3 for \$15.00

## Oncocyclus

**GATESII**—(Monarch Iris) EM to LM-24". Dykes states that with the possible exception of some Japanese Hybrids, Gatesii produces larger flowers than those of any other iris. A symphony of color, with silvery standards lined and dotted soft violet; falls olive cream finely netted and dotted in violet. Beard purplish bronze, very broad and diffuse, the largest found in iris, extending half way down the immense falls ..... each \$3.00

**NAZARENA**—(Nazareth Iris) VE-12". An absolutely stunning bi-color. Standards nicely cupped, glorious silvery, liliac-white, with an network of fine violet veins and dots. Falls exceedingly broad, colored silvery buff-yellow heavily covered with embossed chocolate dots, well raised above the surface.  
..... each \$3.50

**SUSIANA**—(Morning Bride) This amazing iris from the Holyland has been a sensation wherever seen. It is enchanting, wondrous, may always be counted on to bring forth exclamations of amazement and delight. The flower is enormous. Startling effect is of the marvelous color symphony in silvery white and black. An abundant producer of pollen. One of the parents of Luna and Fair Enough. Quite hardy, but may need some protection in some areas.  
..... each \$1.95

**ATROPURPUREA**—EE-12"—One of the reddest Oncos. Standards uniform blackish crimson; falls crimson black, with large velvety jet-black signal. A smooth deep coloring, not noticeably veined or dotted. .... each \$1.50

**HAYNEI**—(Hayne's Iris) E-15". An enormous, richly colored beauty from Mr. Giboa, north of Jerusalem. Standards arched and gently waved, bright light mulberry. Falls bronzy crimson-black, with prominent intense mahogany black signal patch. Pollen exceptionally abundant. A heavy seed setter.  
..... each \$6.00

**NIGRICANS**—E-12"— Lady Mohr in stunning ebony black. Standard violet black, brightening into a glossy red-purple at center; falls dark violet-black with a conspicuous large black signal patch, the blackest seen in any flower. Bearn bronzy-black. .... each \$7.00

**SARI**—(Lupina) Wolf's Ear Iris VE to L 12". This and Garesii are the only Oncos with a strong greenish tinge. Falls silvery cream, heavily washed with light yellowish green. Bearn yellowish green also. Prominent maroon signal spot in the very center of each fall, lower than in most Oncos. Style arms, distinctly greenish add to the highly unique effect. Standards silvery cream, heavily flushed soft maroon. .... each \$1.25

## Oncogelias

**AGATHA** E-20" — Silvery standards flushed heliotrope, veined in darg violet. Falls silvery white, with heavy violet black veins sharply etched, and radiating from very large triangular maroon-black signal patches. Very outstanding! ..... each \$2.50

**ALLEGRIA** E-15" — Probably the reddest of all Oncogelias and certainly one of the most striking and Onco-like. A beauty! ..... each \$2.50

**ANDROMACHE** VE to E-18" — Silvery white and violet, with a soft lilac veil. Heavy decorative veining. Signal patch claret-black, very prominent, like an Onco. Style crests wine-red, effectively setting off the flower. Has pollen, sets seed. .... each \$1.00

**ARTEMIS** VE-20" — One of the richest and deepest colored of all Oncogelias. Ground silvery cream, almost entirely over-laid and vined in bright, yet dark carmine-violet. Effect heightened by a heavy black beard and a strikingly black signal patch. A vigorous easy-to-grow Oncogelia. .... each \$1.00

**HERMIONE** VE-22"—Today as she adorns your garden she is the tallest and one of the very largest. Coloring is soft, alluring. A novel bitone. Standards flushed silvery mulberry, intricately veined purplish black. Falls silvery white, strikingly black signal patch, broad black beard, and heavy veins of very dark maroon. Very exotic.  
..... each \$1.50
